Subject: Question re River City Company

Ms. White:

In reviewing the 2013 Form 990 for River City Company (attached), I noticed that in Part VI (Governance, Management, and Disclosure) under Section A (Governing Body and Management) it references in 1a that the number of voting members of the governing body at the end of the tax year was 21. However, in 1b the number of "independent" voting members was 17. This leaves a difference of 4 voting members (of your board) that are not independent. Can you please provide me with the names of these four individuals who were defined by River City Company as "not independent?"

Thank you.
